Cristoff G. Piano

Calamba City, Laguna · cristoffpiano25@gmail.com

Summary

Graduating BS Computer Engineering student seeking a part-time virtual assistant role. NC II certified in Computer Systems Servicing, with hands-on technical support experience from OJT at Calamba City Hall's IT Department. Comfortable working in English, learning new tools quickly and using AI tools to work more efficiently.

Education and Certification

BS Computer Engineering, Laguna College of Business and Arts · Expected graduation: March–April 2027

Senior High School (ABM strand), Saint Benilde International School, Crossing, Calamba City · Graduated 2021

Computer Systems Servicing NC II

TESDA · Issued October 24, 2026 · Valid until October 23, 2031. Core competencies: install and configure computer systems, set up computer networks and servers, and maintain and repair computer systems.

Introduction to AI Literacy and Responsible Use (micro-credential), Mapúa University via OpenLearning · Issued September 2026

Experience

Thesis Co-Researcher: A.I.D.E. (AI-Guided Instructional Device for Emergencies) · Laguna College of Business and Arts

- Designed the prototype's dimensions, appearance and assembly, and directed an AI-generated isometric visualization of the finished device.
- Trained a YOLO-based model with my team to detect 5 injury types, using 1,837 images in Google Colab; camera testing and independent evaluation are pending.
- Built the Raspberry Pi system with help from Claude and Codex, including generative AI chat and injury guidance, live weather data, supply forecasting (in preparation) and 19 English–Filipino guides; still in development.

- Use AI tools for research, reviewing, revising and auditing, with AI use disclosed in the paper.

On-the-Job Trainee, Technician · Calamba City Hall, IT Department · July–October 2025

- Performed preventive maintenance and hardware cleanup on office computers.
- Troubleshot and fixed computer hardware and software problems.
- Crimped network cables and connected computers by LAN, including internet and peer-to-peer connections.
- Maintained and repaired printers.

Computer Shop Attendant · Family computer shop and family-owned piso net · High school years

- Looked after the shop during assigned shifts.

Skills

- **Productivity tools:** Microsoft Word, PowerPoint, Canva, Obsidian; basic spreadsheet knowledge from ABM strand
- **AI tools:** Using AI for research, reviewing, revising, auditing and problem-solving
- **Technical support:** Hardware and software troubleshooting, preventive maintenance, LAN setup and printer repair
- **Languages:** English and Filipino

Work Setup and Availability

- Laptop, home internet (100 Mbps plan) and mobile data backup
- Quiet workspace
- Available evenings and nights; daytime availability to be confirmed once my second-semester schedule is final
